A Message From Kathy:

During our Wednesday Winter Wonderland, paper snowflakes created a snow storm, marshmallows turned into snowballs creating an epic snowball fight, and donuts turned into snowballs that we ate off strings - for moments during our day we had the magic of the season.

As we transition into our winter holidays, I am wishing you all magical moments with family and friends. This is a time when silly is king and belly laughs are abundant; walks to see lights, favorite music heard throughout the house, board games and puzzles strewn around the family room, pajama days just because, movie nights complete with popcorn and candy, tents in the living room, or maybe even backwards eating nights (dessert comes first and veggies don't matter). Whatever brings your family joy is the magic of the season.

Best wishes for a truly magical holiday season.

Blessings,

Kathy | 949-698-3350

COVID-19 Policy Update

Since our communication last week our regional community has experienced an unprecedented surge. A request to all school families to adhere to all COVID-19 guidelines in an effort to ensure our school community can open safely on January 4th. A reminder that any families traveling over the holiday must have a negative test before returning to school.

Thank you for your strict adherence to state, local and our school community protocols as we team up for health and safety.

Mark Your Calendars:

- Winter Break: Dec 21st - Jan 1st
- Non Student Day - Friday Jan 8th
- Martin Luther King Day - Jan 18th - No School
- Parent Teacher Conferences - Jan 22nd

Got Supplies?

Please restock your scholars' pencil boxes over break.

Calling all Flat Stanley's!

If your Flat Stanley is still visiting family and friends across the globe please make sure that he is returned after Holiday Break. We can't wait to hear about his adventures!

CONGRATULATIONS

Congratulations to Madelyn Seal winner of our snowball estimation count. As Madelyn was the closest with an estimation of 54 she received an at home snow ball fight. Ingredients are simple: family and friends, marshmallows, a count down of 1,2,3 'Let it Snow' and the magic begins!

The Many Adventures of Flat Stanley

Axl's Flat Stanley visited his grand parents in Colorado. His adventure included playing in a snowbank and got a ride on their dog!

More Academy Fun!

Cookie Eating with
Olive and Giuliana

Robot Jay under
construction!

Table Talk Suggestion:

Would you rather stay at home during a snow day or have an extra day of summer vacation?
