A Message From Kathy:

Welcome Back! I hope you had a wonderful holiday and and that this communication finds you and your loved ones healthy and safe. The 2021 Spring Semester is upon us and our entire staff is excited to support you and your child(ren). As always, I welcome and value your positive energy, ideas and feedback as we continue our partnership to provide your child(ren) with excellence in education.

All signs point to another incredible semester! Our skilled and devoted staff hit the ground running this week with review to ensure solid foundations, assessment of learning goals, new science, math and art projects. Our focus is to ensure that every scholar is finding a way to feel connected and challenged by new learning experiences on a daily basis; and that they are gaining confidence every step of the way.

It remains an honor and a privilege to serve as your Principal and be a part of this dynamic educational model. Together, I know we will make this semester one of growth and achievement for all of our scholars.

Blessings,

Kathy | 949-698-3350

Important Update:

The Randolph campus playground received the first of it's planned upgrades as the oasis center and lily pad area was leveled and filled to create a better playing surface.

Freeze Dance parties, Tag games and Monkey in the Middle contests all made use of this upgrade.

Stay tuned for more playground additions as we move throughout the semester.
