

Weekly wrap-up

January 15, 2021

A Message From Kathy:

Created in response to the COVID-19 epidemic, with a vision of providing dynamic, quality, foundational instruction to lower elementary students in a high touch, small group setting, Activ8 Academy was launched. We are excited to announce that the mission of Activ8 Academy to provide an environment in which every child has an opportunity to achieve at his/her highest potential will continue and expand as we launch our program to focus on holistic education for Kindergarten through Grade 3.

Beginning today, **Activ8 Academy is open for enrollment for the 2021-2022 school year**, for grades K-3. Current families will receive priority registration through February 28th. New family registration opens March 1st.

More details are provided in the attached flyer. Enrollment contracts will be available next week. We hope everyone has a wonderful 3-day weekend. As a friendly reminder, our Academy will be closed on Monday, January 18th in observance of the Martin Luther King holiday.

Blessings,

Kathy | 949-698-3350

Engineer Joshua and his creation!

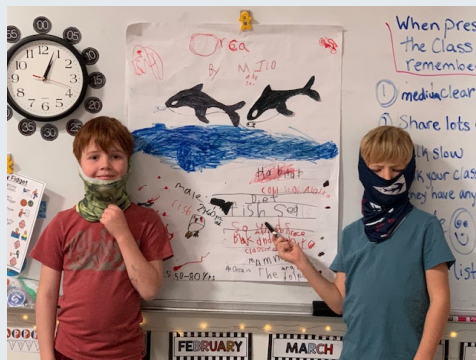

First grade scholar Olive celebrated her birthday with Rocky

Do you Have?

Paper towel and toilet paper rolls, vitamin bottles, plastic containers, duct tape, sturdy boxes?

If so we can use them for our Think, Design, Build Center!

Scholars Jay and Milo presenting their Orca research project to the class.

Ruby Bridges

A little book...BIG message
Scholars across the Academy were introduced to Ruby Bridges and her story as we prepared to celebrate Martin Luther King Day. Our summary take away is that "we are like a bag of M&M's different on the outside but the same on the inside." Our actions and words should always be kind and inclusive of all.
