

Weekly wrap-up

April 30, 2021

A Message From Kathy:

"Count on me to help" letters have been coming in all week as we kicked off our **Nourish Every Child** service learning project.

Now, let's get going and raise those funds! On Teamwork Tuesday we talked about all of us working together to realize our goal of \$400.00. If we divide our goal by the by the number of students it breaks down to approximately \$8.25 per person. Our \$400.00 goal is totally achievable. **Let's do this!**

Service learning initiatives are most successful when the whole family is involved. To that end, I would like to share the following family fundraising ideas:

1. Lemonade Stand
2. Bake Sale
3. Painted Rock or Shell Sale
4. Invite neighborhood friends to an art project/sports clinic or play date charging a nominal fee
5. Original Art Sale

Have fun and please share pictures and additional ideas of your fundraising efforts. We would love to see them!

Next week, students will begin their exploration of Haiti, its people, economics and the impact the funds raised will have on Haitian families.

Reminder that you are invited to join Jen Burns, Academy mom and **Nourish Every Child** founding member and I for coffee on the Randolph Patio, Tuesday, May 4 at 8:45am.

Blessings,

Kathy

And the winner is....

Congrats to Ms Jill's 2nd grade class for being the first class to have every family write a letter counting them in to raise funds for **Nourish Every Child**. They win a pizza lunch! Yum!

We ♥ our Teachers! Teacher Appreciation Week May 3rd - 7th

Help us celebrate our dedicated team of teachers by having your scholar(s) create handmade cards with shout outs to the amazing impact they have on their lives.

Order Your Yearbook Today!

Commemorate "The Year We Survived a Pandemic" with your very own Activ8 Academy softbound yearbook.

Cost is **\$40**

Orders must be placed before **May 21st**
Email your order to Ellen at the front desk:
info@activ8learning.com

Mark Your Calendars:

- May 3rd-7th: Teacher Appreciation Week
- May 4th - Coffee with Kathy & Jen
- May 31st: Memorial Day - **No School**
- June 4th: End of year conferences
